## Monoclonal Antibody to Rat S100A8

Code No.: 80083

Product name: MAB TO RAT S100A8 (2H6)

Quantity: 200  $\mu$ L (200  $\mu$ g protein)

Clone: 2H6

Quality: BALB/c IgG1 $\kappa$  (Purified by Protein A chromatography.)

Solution: 1mg/mL protein, 0.1% NaN<sub>3</sub>, PBS, pH7.4

Character: This antibody reacts to rat S100A8.

It is possible to use for western blotting and immunohistochemistry.

Storage: The solution should be stored below -20°C.

Repeated freezing and thawing should be avoided.

Note: Research use only.
